

Girl, Boy and Cub Scouts New Guidelines

Revised: 4/21/2009

We here at Bass Pro Shops like to support out local charities as you can see. We like to create long lasting partnerships that benefit all of us. Due to certain complaints by our customers we are implementing new guidelines to provide a more comfortable experience for them. These guide lines are implemented immediately.

1. Scouts handing out Hot Dogs and Sodas: One group with no more than 4 Scouts and 2 adults.
2. Camp Cards: One group with no more than 4 Scouts, 2 adults.
3. Girls Scouts Cookies: One group with no more than 4 Scouts, 2 adults.
4. No scouts or parents can approach ANY customers outside their area. Do not hold signs up, open doors, stand in the parking lot, block their path or follow the customer. Stay in your area and ask as they go by if their interested in what you have to offer. You may have professional looking signs on your table.
5. If you are accepting donations you can NOT have any sign with ANY dollar amount. You may have a sign saying "Donations Accepted" or "Help our Scouts go to Camp", etc.
6. All signs displayed MUST look professional, no written signs and in some type of frame or holder. We can provide you with a stand if necessary.
7. Girl Scouts Cookies, hot dogs, sodas and water are the only food and beverage permitted. If you want to bring something else you need to clear it with us before the day you are schedule.
8. You must stay within the area that Bass Pro Shops provided. Do not bring extra tables or any other item that do not fit on the area provided.
9. Camp Cards are to be given in the entrance of the store, not the exits. Only Scouts are allowed to sell camp cards. At no time can parents sell camp cards.
10. All scouts MUST be in full uniform. Parents must have at least a shirt that identifies them with the scouts and their troop.
11. If the same troop is doing Camp Cards and Hot Dogs you can not give out the Camp Cards in the same place as the Hot Dogs. Set up in 2 separate places and have enough scouts to cover both not just the same ones running back and forth.
12. You are all sharing the same space and you must respect each other. If you see anyone not complying with these guidelines please DO NOT address it yourself let us know.
13. If you do not comply with these guidelines or we get repeated complaints from customers we will have to ask you to leave.
14. **You must use the grease tray for the grill** and clean up before you leave. Also consider placing cardboard under the grill on the concrete to aide in clean-up of drippings at the end of the day.

We are trying to create a wonderful experience for our customers, and we hope with these new guidelines we can do that while providing an opportunity to help our local Scouts.

Thank you,
Bass Pro Shops
