Publix Super Market  
Broward, Miami-Dade and Monroe Counties

Dear Store Manager:

On behalf of the more than 11,000 youth served by the South Florida Council, Boy Scouts of America, I am writing to ask for your assistance in helping our Scouts with a very important project we currently have going on.

Every fall the Boy Scouts of America conducts its official money earning project. Our units and Scouts take part in the Trail's End Popcorn Sales campaign as a way to Earn Their Own Way through Scouting by selling popcorn. This campaign helps them earn the necessary funds for their annual Scouting program.

You can help our scouting units and Scouts with this project by allowing them to set up in front of your store to sell to consumers as they enter and leave your establishment, much like the Girl Scouts do with their cookie sale.

This letter serves as official notice that all of our units and Scouts are covered by general liability insurance. Please refer to a copy of our insurance certificate that we have provided to each of our units participating in the Trail's End Popcorn sales campaign.

If you have any questions, or need anything else to allow our units and Scouts to sell in front of your store, please do not hesitate to contact me directly at 305-364-0020, x242.

I would like to thank you for all the support you and Publix have shown to Scouting over the years by allowing our Scouts to sell in front of your store.

**In service for Scouting,**
