2018 HURRICANE DISTRICT FALL CAMPOREE

Dear Fellow Scouts and Scouters,

Welcome to the Hurricane District Camporee!

This weekend, you have an amazing opportunity to partake in a wide variety of competitions against other Troops in the Hurricane District.

While competing, keep the Scout Oath and Scout Law in the back of your mind. Good sportsmanship from all teams will make all the competitions that much more fun. During the Camporee, we hope that everyone will enjoy the awesome program we have put together.

Friday night and Saturday morning, our Order of the Arrow Chapter will give you the amazing opportunity to have an OA election in your Troop. Then, Saturday night, we will recognize all who were elected in a very cool Order of the Arrow Call Out Ceremony, where they will be given a token and a letter from the OA. To look up eligibility requirements, go to <https://oa-bsa.org/about/membership>.

I am looking forward to an awesome weekend of fellowship, competitions, and fun! Please use this handbook to find the answer to any question you may have.

Yours in Scouting,
Carson Engelmann

2018 HURRICANE DISTRICT FALL CAMPOREE

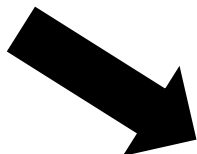

OA Call-Out Ceremony and OA Fellowship

The Order of the Arrow is Scouting's national honor society. OA members are dedicated to the ideal of "cheerful service". They also encourage other Scouts to participate in camping events.

To be eligible, Scouts must be First Class rank or higher and have 15 days and nights of camping in the past two years. That must include one long term camp (summer camp), but you cannot count more than one long term camp when counting up nights. Your Troop's Scoutmaster recommends candidates to be elected to the OA. OA Members are elected by the members of their Troop – including those who are not OA members.

On Saturday night, we will hold a Call-Out Ceremony for those Scouts recently elected to the Order of the Arrow. More Scouts view the Call-Out ceremony than will ever have the chance to view the other ceremonies of the Order of the Arrow. The purpose of a Call-Out is to officially recognize each elected Scout as a candidate for membership in the Order of the Arrow. The Call-Out is a form of public recognition used to communicate the honor of being selected for membership into our Order to members, non-members, and the public. Its dignity must impress all with the high ideals and standards of the Order of the Arrow. It should serve to intensify a Scout's desire to become a member.

Following the ceremony, there will be a Fellowship for all the new candidates and all current OA Brothers. NOTE: All OA Brothers should wear their Sashes.

**We can do your election at the Camporee Friday night or Saturday morning
(you must have at least 50% of your chartered Scouts in attendance)**

2018 HURRICANE DISTRICT FALL CAMPOREE

The Hurricon Deception

When is the Camporee? November 9 – 11, 2018

Where? *Sunset Church of Christ*; 12001 Sunset Dr. (SW 72 St)

What time can we arrive? You can start arriving at the camp on Friday after 5pm.
No youth may be dropped off without 2-deep leadership available from their home unit.

Registration: Please go online to the Council registration system and update attendance quantities as soon as possible. Deadline to register on-line is 11/02/18. Copy the link below to register:

Events.sfcbsa.org

Units not registered online will need to pay at time of check-in via check or cash only.

Fees: \$20.00 per Scout; \$10.00 per adult for the weekend. Cost covers camping fees, awards, and patches. After 11/02/18 a late fee of \$10.00 per person will be added and registration will then be \$30.00 per Scout and \$20.00 per adult.

Where do we check in? Please come to main pavilion and check in with the camporee staff. You will be given your campsite and paperwork then.

What is this year's theme? *The Hurricon Deception*

Vehicles:

Only unit trailers will be allowed to remain in the campsite.
Tow vehicles must be unhooked and removed from the campsite IMMEDIATELY.
NO other vehicles will be allowed into the campgrounds for any other reason.

Please make sure all parents are aware of vehicle policies.

**NO VEHICLES or TRAILERS WILL BE ALLOWED INTO THE
CAMPSITES AFTER SUNSET (approx. 7:30pm)!
NO EXCEPTIONS!**

Restrooms: There will be several portable toilets that will be located throughout the campsite. We recommend that each unit purchase their own portable toilet at a cost of \$75.00 each for their campsites.

Electric Connections: If anyone in your unit requires access to electricity for medical reasons, please plan for your own power as we cannot guarantee access to electrical outlets. There will be a designated camping area for those persons needing to use generators.

Jedi Council Rules

1. No adult may complain about anything. All questions, comments, challenges, complaints, gripes, groans, etc. should be handled through the Unit's SPL or the Crew's President.
2. If you think it should be here, **IT IS**.
3. If you think the Camporee Committee would have put it here, **WE DID**.
4. When in doubt refer to the Scout Oath, the Scout Law, the Outdoor Code, and the Guide to Safe Scouting.
5. In the event of a scoring and/or judging dispute, the Camporee Committee will have the final authority to adjust and remedy the situation.
6. DO NOT cut any wood from the trees at the campground.
7. DO NOT pick any fruit from the trees. This includes coconuts.
8. DO NOT climb in the trees
9. Basically... **LEAVE THE TREES ALONE**
10. Please Be Prepared to take of your trash home with you.
11. Please Be Prepared to take all of your pioneering wood home with you.
12. Please Be Prepared to take ALL of your Scouts home with you.
13. **ABSOLUTELY NO ground fires are allowed**.
14. The Hurricane District Fall Camporee 2018 will revolve around the theme of STAR WARS and will draw from various parts of the STAR WARS universe. All games and activities will in some way reflect this theme. Please embrace the theme wholeheartedly! Keep it in mind when preparing for Troop challenges, games, activities, and the campfire program. You are also welcome and encouraged to design gateways, props, signs and decorations that depict the theme. Actual projectiles or edged weapons are prohibited. This includes light sabers, blasters, death stars, shooting lightning from your fingers, and force-choking anyone.

The Jedi Code

Jedi are the guardians of peace in the galaxy.

Jedi use their powers to defend and protect, never to attack others.

Jedi respect all life, in any form.

Jedi serve others rather than ruling over them, for the good of the galaxy.

Jedi seek to improve themselves through knowledge and training.

UNIT COMPETITIONS

Memories from the Mos Eisley Cantina

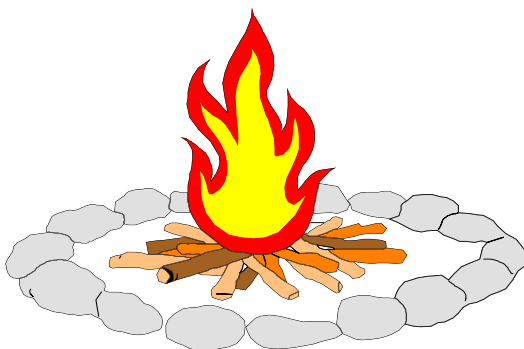

And what would a good camporee be without a great campfire and skits and songs performed by the Scouts? This year we will again have a 'celebrity' panel of judges to evaluate your Troop's performance. Make your show special or you may be banished back to your campsite early.

IMPORTANT:

At one of the SPL meetings you will be given a list of props that must be used in your skit. Your score will reflect your ability to use the props in your performance.

YOU MAY ONLY USE THE PROP LIST PROVIDED TO YOUR SPL.

(You may do a song instead of a skit, but you must still use the props)

**EXTRA POINTS WILL BE AWARDED FOR SKITS
OR SONGS THAT CLEARLY DEMONSTRATE
OUR CAMPOREE THEME**

2018 HURRICANE DISTRICT FALL CAMPOREE

The Hurricon Deception

Each of the events below will allow your unit to accumulate materials to solve the Hurricon Deception. Details for each of these challenges will be given at the camporee. Some of the events that you MIGHT see and MIGHT have to use your materials might include:

Rey's Jedi Training

- Your patrol is lost on its way to Ahch-To for your training with Luke Skywalker. Your vision is impaired, and all your instruments are out. Your leader must use the Force to guide you to a safe landing.

Evacuation of the Rebel Base on Crait

- Your defensive position on Crait, the Salt Mine Planet, is crumbling around you. You must work together to find the path to escape the Empire's attack and wait for help from Luke Skywalker.

Escape from Canto Bight

- While being imprisoned on Canto Bight looking for the codebreaker, you can make your escape. But your complete escape must depend on you all working together.

The Battle of Scarif and the Imperial Walker Defense

- Only one knot will take down the Imperial Walker. Help the Rebel Fighters hold on to the Imperial Walkers as they search for the Death Star plans

The Millennium Falcon's Voyage from Corellia to Kessel

- You need to help Han make his way from his home world of Corellia to Kessel, where he will meet Lando and become one of the galaxy's best pilots. Only good navigation will achieve the goal, but there is only one way to prove where you are.

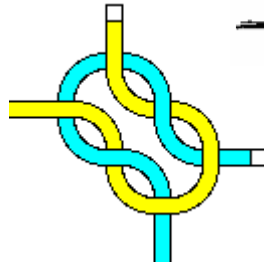

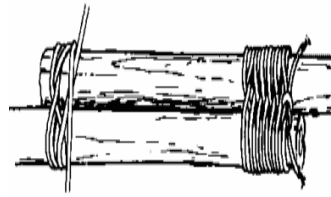

2018 HURRICANE DISTRICT FALL CAMPOREE

Be prepared for several other games to test your skills and knowledge. A good Unit will “BE PREPARED” for these events no matter what questions or tasks are asked of you.

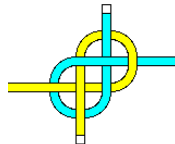

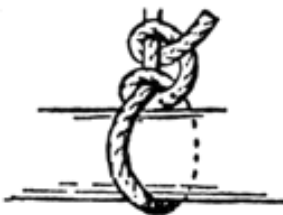

And when you have accumulated all your possible materials,

**The way out of *The Hurrican Deception*
will be revealed.**

A properly tied lashing will even hold the Millennium Falcon together

Han Solo

red herring

1. A clue that is misleading or that has been falsified.
2. A diversion used to lead thoughts away from the truth.

2018 HURRICANE DISTRICT FALL CAMPOREE

UNIT COMPETITIONS

Padawan Materials List:

Several events will require that all Units **BE PREPARED** by bringing some designated materials with them.

Each Unit will need to provide for themselves (Do Not Exceed the measurements):

- Two 12 ft spars
- One 6 ft spar
- Seven (7) 18 ft ¼ inch manila ropes (properly whipped) suitable for lashing
- Three 5 ft spars and one additional rope for lashing
- Plus, materials to construct a catapult like the one on pg. 13
(You WILL have to construct it onsite again)

In addition, each Unit will need to bring the items on the following list with them. These items must be placed in a container and be clearly marked identifying the Unit number. The container **MUST** be turned in at headquarters during registration. Only the materials on this list may be in the container.

Important New Rules (deviation will affect points in this event):

1. DO NOT EXCEED the quantities or measurements on the list above.
2. All items or group of items should be individually placed in Ziploc bags (or similar) and clearly marked with your unit number.
3. You must use the container that was supplied to your unit.

One roll of whipping twine	20 wooden craft sticks
5 wire hangers	10 pieces of college-ruled notebook paper
3 paper grocery bags	Copy of your menus for the weekend
Copy of your camporee Duty Roster	1 S-hook at least 2" long
One (1) duotang	Swim mask or goggles
A pair of sunglasses	A bicycle horn
10 clean paper hot cups	1 roll of duct tape (gray only)
5 yards masking tape	A Cowboy Hat
Wire cutters (a must-have)	A Frisbee
¼ inch manila rope 3' long properly whipped	A flashlight (in good working condition)
A 12" ruler	4 sharpened pencils
One cardboard box not to exceed 24x18x12 (the container for your supplies)	A compass (the finding-direction kind, not the drawing-circles kind)
10 clean plastic spoons	A Boy Scout or Cub Scout neckerchief
Extra batteries for your flashlight	Stop watch
A rain poncho (a must)	Five (5) 30-gal plastic garbage bags
Three (3) pair work gloves	10 clean paper plates

The Jedi Council Awards

Unit Participation Ribbon: Presented to each Unit registering and attending the 2018 Fall Camporee.

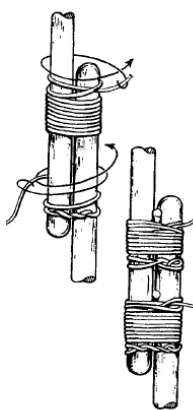

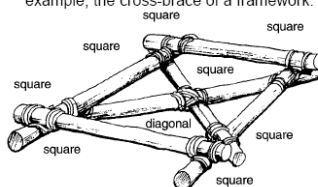

Unit Competition Awards: First, second, and third place awards will be given for the competition events held listed in this handbook. Events with multiple activities will be scored and awarded as one event.

Hurricane District Overall Competition Trophy: A new addition to the competition this year is the Hurricane District Overall Trophy. Each event will allow your Troop to earn points toward a final score. The Troop with the highest total will be declared the Hurricane District Best Troop and will take possession of the Hurricane District Overall Plaque for the next year.

Scoring for the Overall Plaque will be detailed at the Camporee.
Competition for the Overall Plaque will be limited to registered Hurricane District Troops.

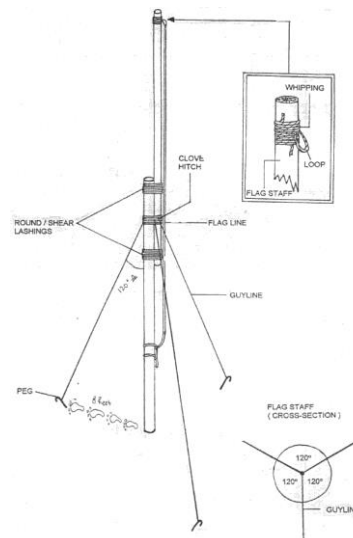

Here we look at the most commonly used ones:

- A Square Lashing is the most commonly used for pioneering and is used where the spars will try to slide over each other regardless of the angle at which the spars cross
- A Diagonal Lashing is used where the spars have to be pulled together or when they tend to spring apart from each other. For example, the cross-brace of a framework.

- There are two types of lashing Sheer Lashing which are also used. The first of which is used to join together two spars to make a longer length, for example, when making a flagpole.

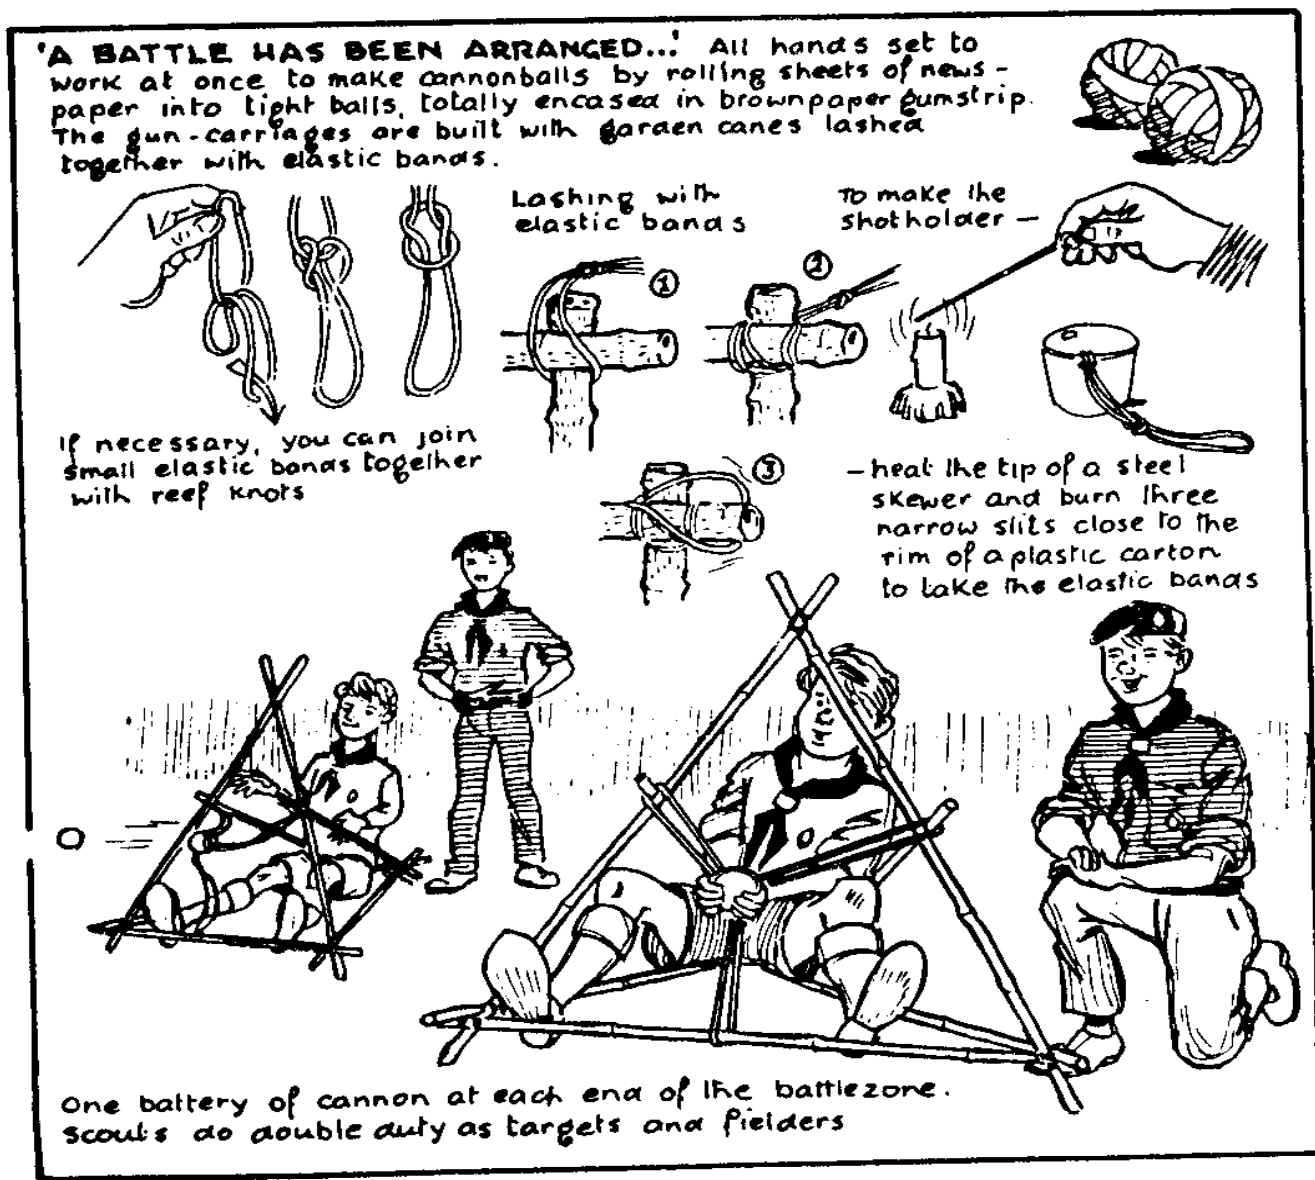

Clove Hitch
Sheet Bend

Attack on the Supremacy (Smoke's Ship)

Your Troop will need at least one (1) but not more than three (3) personal size catapults. The diagram below is a suggested design. Your design must be able to be operated by one scout. All "ammunition" will be provided by the Camporee.

1. All connecting points should be properly lashed together.
2. Use bike tubes (or similar) for elastic bands.

Scoutmasters, please be aware of safety concerns. The Camporee Committee reserves the right to inspect all catapults and disqualify catapults for safety reasons.

Kessel Run Space Craft Specifications

Description:

- Each unit shall build a space craft and field a team consisting of two riders with a minimum displacement of 980 Newtons propelled by a maximum of six pullers (six-pack), three per side exerting a total ground impact of 64.30 Stones.
- The riders shall be firmly secured on the surface of the space craft and shall not exit the space craft while under way (**you'll need a seat belt or rope**). Proper headgear shall be worn while the space craft is underway (**you need a bike helmet**). Attachments secured to the space craft shall be used to facilitate the riders.
- The dual tow line utilized by the six-pack shall have a minimum diameter of 0.125 Decimeters and a length of 1.21 Rods.
- The space craft shall be constructed using common lumber and shall be 1.33 Cubits in width, 2.66 Cubits in length, 0.33 Cubits in height with a total area not to exceed 3.45 Cubits Square.
- The space craft shall have a minimum footprint of 813 Centimeters Square and a minimum ground pressure of 0.123 Kilograms / Centimeter Square.
- The course shall be a dual directional course requiring the team to traverse 0.5 Furlongs and maneuver around a fixed pylon.
- To ensure a safe flight, your entire space craft bottom surface must be in complete contact with the planet. There must **NOT** be any wheels, rails, or similar devices utilized.

Scoring:

1. Troop prepared space craft = 5 points.
2. This is a timed event, the finishers shall be awarded points in a descending order i.e.: 20, 19, 18, 17, 16, etc.
3. Proper construction i.e.: within specifications and safe = 5 points.
4. Complete and accurate space craft race form signed by the SPL = 5 points.
5. Sharing the space craft with a space craft-less troop = 5 points.
6. Team clearly displaying the Camporee theme and spirit = up to 20 points
