Leaders and parents will be judged in this competition as well as the unit's appearance.

The Fireball Cub-O-Ree rotating Fireball's Spirit Stick will be awarded to the winning pack for them to keep for one year until the next Fireball Ball Cub-o-Ree. If the Winning Pack does not return to the following year competition, the rotating Fireball's Spirit Stick must be returned to the next Fireball Cub-O-Ree Chief or to Fireball's District Executive.

Events/participation in all activities

IMPORTANT: These activities will count for the overall points. Units earn a maximum of 200 points for **participation** in **all** the activities. **No unit will earn any additional points for placing as well as scoring of the individual events are not calculated in the overall.**

EVENT JUDGING

The events will be set up and coordinated by the Cub-O-Ree committee, not by individual units. As part of registration, each unit maybe asked to supply the names of one or more adults to act as judges. The events will each have a number identifying the event and indicating where dens should wait in line until called. Units may not be judged by anyone connected with their unit. The judging criteria is designed to be as objective as possible.

When a Den and/or Pack Unit presents itself to a judge at an activity, the Den leader will give their activity card to the judge. When the Den completes the activity, the judge will mark and sign the score sheet and document the results on an event score log which is signed by the Den leader as the official record. The event score log will be turned over to the Cub-O-Ree staff for scoring.

The judges will be doing their best to be fair and objective. If there's a problem or question with a score, the leader should discuss it with the judge immediately. This is best left between the leader and the judge as soon as it occurs, not later. No adjustments or changes will be made after final tabulations are completed.

All judges scoring decisions are final.
