Commander Briefing

Admiral Baden Powell’s mission for the Webelos of both ranks is to be prepared to take on the responsibilities of mission command.

Arrive ready to survive in the harsh Martian wilderness with little available food, limited supplies of heat and oxygen. Make a plan to get home to the comfort of Earth.

Review these mission details carefully to be prepared to excel at the challenges of Mars and later the challenges of life.

Destroy after reading,

Anna Brown
2020 Webelos Jamboree Commander
Covid-19 Special Briefing

Webelos:

Have you ever seen a sneeze in space?

While on earth all those droplets fall to the ground in about 6 feet (the length of your den leaders cot), in space they keep floating around until they land on something. It’s pretty gross.

In space you’ll need to keep that sneeze to yourself and get clean oxygen through your mask. Masks must be worn throughout the Mars mission.
But… what if someone else already sneezed? Ummm, Gross! After each activity use hand sanitizer. You don’t want to carry around someone else’s sneeze!

I have to drink! How do I do it with a mask? Use hand sanitizer then, get 6 feet from your group, face away from other people, use a vacuum seal to drink from your hydrator.
Covid-19 Briefing for Leaders and Parents

In order to maintain social distancing we will be accepting half as many campers and webelos compared to prior years. Get your reservation in early as we will cap the attendance and not add any additional participants after our limit.

**NOTE:** There will be groups of 10 only on the activities field, all other adults must stay at camp.

**Before you come:**

Each participant must review and certify that they pass the BSA Pre-Event Medical Screening: [https://filestore.scouting.org/filestore/HealthSafety/pdf/680-102_PreEventChklist.pdf](https://filestore.scouting.org/filestore/HealthSafety/pdf/680-102_PreEventChklist.pdf)

The symptoms listed in this checklist are: Fever, Vomiting, Diarrhea, Unexplained fatigue or muscle aches, Rash, Cough, Sore Throat, and Open Sore. Any participant lifeform will be sent home if they exhibit any of these symptoms without medical documentation to support that the symptom is a diagnosed and cleared to be with others as a known disability. In addition, the South Florida Council Daily Covid Questionnaire (found in the appendix must be answered by every participant).

Group your Webelos in Groups of 8 or less for the registration. Once you are in the activities you will be grouped with 8 Webelos and 2 Adults. You will not be able to change groups. So please work through your groupings carefully before submitting. If you have less than 8 Webelos, you will be merged with another group of less than 8 Webelos for the activities. If a scout requires an additional adult helper beyond the planned 1:4 ratio, please submit documentation details with the registration.

**When you are here:**

**Masks:**

Masks must be used at all times unless eating, drinking, or inside a tent or shower. When eating and drinking all lifeforms must maintain a 6 foot radial distance.

**Colors:**

Armbands will be distributed in color groupings of 10, campgrounds, bathrooms, opening/closing ceremonies and activity rotation will be marked with the same colors. These markings assist with social distancing and you must adhere to them. Once you are assigned an Armband color you must stay with the areas of that color and not change colors.

**Camping:**

You may only have Webelos share tents with family members. Otherwise, Webelos should be in individual tents.

Your Patrol units for cooking and other activities must be limited to 10 (that includes adults).

You are responsible to clean and sanitize all communal surfaces regularly.
Each unit will need to provide ADULTS to be sure sanitization is done as needed to camp facilities: Showers, restroom, water fountains etc. The camp will provide a Safe-Clean product with gloves to each color group so they can monitor and clean the areas as needed. NO OTHER PRODUCTS MAY BE USED-- BLEACH is not to be used at camp. Sanitization by Units must occur at least once every three hours. They may do it more often. Overnight from 11 PM to 6 AM no sanitization is required.

Activities:

There will be 18 activities lasting 20 minutes each. To keep our volunteers at a minimum there will be a marked rotation path, follow the path to the next activity. You must use the hand sanitizer as you enter and leave the activity area. You may not leave the activity early, you may not have more than the 10 people with the same armbanded colors in the activity at one time. If you need to take a break, plan to skip the entire 20 minute activity. The activity color rotation is listed below.

Rather than having group water coolers at each location, you should bring your own dedicated water cooler in a wagon along with your color group. If you do not have a water cooler please indicate that via email prior to coming, one will be lent to you.

Technology:

As a substitute for runners and bullhorns, we will be using remind, you should enable your adults to receive texts. These texts will let you know when and what is next. Text: @WebJam2020 to 81010

As a substitute for the in-person campfire, we will record skit auditions and provide a virtual campfire that can be viewed from your campsite or for a limited time after the event. Please fill and submit the photo release via email prior to coming.
**Why You and Your Crew Will Want to be There**

FUN with a purpose is the mantra of scouting and the goal of Martian Survivors.

The Webelos cub scout program introduces leadership of self and others. The program starts the important transition from camping with parents to independence in cooking, camping and all the skills necessary for individual life success.

Webelos Jamboree starts out your scouting year in early November with a wide variety of challenges run by Scouts BSA Troops demonstrating the best that scouting has to offer. These Scouts then guide and enable the Webelos themselves to practice these skills energizing and motivating them for the year to come.

Introduce camping for the year in a safe environment, learn and practice the skills from many Webelos and Arrow of Light required and elective adventures. Participate in the competitions and win. Bring these skills and knowledge from your experience back to your pack.
Where is the Mars Mission landing?

Base Camp Elmore
3551 SW 142nd Avenue
Davie, Florida 33330
Directions by rover from the North:

+ Taking I-95: Go South on I-95 to I-595 West, Go West on I-595 to I-75 South, Go South on I-75 to Griffin Road Exit. Go East (Left) on Griffin Road. Go past stoplight (Volunteer Road) Take next left, sign says to Orange Drive. Cross bridge and turn right on Orange Drive. Go east to South West 142 Avenue. Go North (Left) on South West 142 Avenue. Base Camp Elmore will be second entrance on your left.

+ Taking Turnpike: Go South on Turnpike to I-595 West, Go West on I-595 to I-75 South, Go South on I-75 to Griffin Road Exit. Go East (Left) on Griffin Road. Go past stoplight (Volunteer Road) Take next left, sign says to Orange Drive. Cross bridge and turn right on Orange Drive. Go east to South West 142 Avenue. Go North (Left) on South West 142 Avenue. Base Camp Elmore will be second entrance on your left.

Directions by lander from the South:

+ Taking Turnpike: Go North on Turnpike to I-75 North, Go North on I-75 to Griffin Road Exit. Go East on Griffin Road. Go past stoplight (Volunteer Road) Take next left, sign says to Orange Drive. Cross bridge and turn right on Orange Drive. Go east to South West 142 Avenue. Go North (Left) on South West 142 Avenue. Base Camp Elmore will be second entrance on your left.

Directions by rocket from the East:

+ Taking I-595: Go West on I-595 to I-75 South, Go South on I-75 to Griffin Road Exit. Go East (Left) on Griffin Road. Go past stoplight (Volunteer Road) Take next left, sign says to Orange Drive. Cross bridge and
turn right on Orange Drive. Go east to South West 142 Avenue. Go North (Left) on South West 142 Avenue. Base Camp Elmore will be second entrance on your left.

**Directions by spacewalk from the West:**

Taking I-75: Go North/South on I-75 to Griffin Road Exit. Go East on Griffin Road. Go past stoplight (Volunteer Road) Take next left, sign says to Orange Drive. Cross bridge and turn right on Orange Drive. Go east to South West 142 Avenue. Go North (Left) on South West 142 Avenue. Base Camp Elmore will be second entrance on your left.
What To Expect Before the Jamboree and Upon Arrival

Expect to contact the Webelos Jamboree team before the event with any ‘special needs and/or concerns’ (i.e. accessibility for handicapped participants; issues with storage pod, etc.)

Expect to review mission instructions completely.

Expect that Base Camp Elmore will open on Friday, November 6th at 17:00 for check-in. The crew leader must check in and will receive the campsite assignment at that time. Please inform your Webelos’ parents that they cannot individually check-in and they CANNOT just drop their child off and leave. All Webelos must be supervised at all times.

Expect that ALL CREWS MUST check in at the Registration Site in order to:

1. Finalize registration counts and payments (you must have proof of payment).
2. Register your crews and receive their rotation assignments and armbands.

Expect limited vehicular access to the campsites (with passes only). Each campsite will have only 1 pass allotted to them to allow for equipment drop-off. We are expecting many Webelos and Scouters to attend the event and we want to provide a safe environment for them. When finished, the returning vehicle must return the pass back to the registration area and registration (and only registration) will be allowed to give out the pass to other vehicles in the Mission Crew. We will
have wheelbarrows available to transport personal gear to your campsites, plan to use them. Any vehicles assigned to your site, after the first enters, will have to wait outside the entrance gate until one comes back out of the area.

Expect that no vehicles will be allowed to park at the campsite, all vehicles must be parked in the main parking lot. The interior parking lot is designated for staff and handicapped parking. Mission Crew storage pods will not be allowed in the campsites but should be parked outside the campsite entrance gate.

Expect that each Mission Crew should be prepared to cook their own meals.

Expect that the boys and girls will not complete any “Adventure” this weekend. However, a detailed list of advancement opportunities is available later in this Leaders Guide.
Jamboree Staff 2020

Webelos Jamboree Commander 2020: Anna Brown
305-725-9377

Vice Commander: Daniel DuBois
808-561-9051

2nd Vice Commander: Michelle Jacobs
305-281-1118

South Florida Council District 305-364-0020

Webelos Jamboree Advisor: Ayesha Carter
Ext 232

Scout Executive: Jeffery Berger

Remind: Get Realtime Notifications by texting @WebJam2020 to 81010
Advanced Registration

Advance registration is REQUIRED. Due to limited space and increased safety regulations, advance registration is essential.

Advance registration is as simple as counting the number of individuals that will be attending and then submitting the appropriate fees. Ensure when you register to use an email with which we can contact you. We will be following up on groupings and photo releases.

We will only be accepting ONLINE registrations this year. Please go to: https://sfcbsa.org/events/webelos-jamboree-4/

Siblings and younger cub scouts will NOT be admitted. This is an event for Webelos and Adult Crew ONLY.

$25 Two Night Camping (including adults and Webelos) if received by Oct 4, 2020.

$30 Two Night Camping (including adults and Webelos) if received after Oct 4, 2020.

$15 Day Visitor (including adults and Webelos) if received by Oct 4, 2020.

$20 Day Visitor (including adults and Webelos) if received after Oct 4, 2020.

No walk ups will be accepted this year. A Mission Crew registration form is attached to this leaders’ guide. We will be very structured with the specific
scouts and number, please make sure to email the form to webelosjamboree2020@gmail.com as soon as possible. Once the form is accepted, you will receive a registration passcode which you will need to be allowed on base.

Also, please remember that one Mission Crew representatives must stop by the registration site at the Jamboree after your Mission Crew arrives. At that time, you will receive your Mission Crew’s rotation for the Saturday events. Please email your Mission Crew Registration Form prior to your arrival, we are keeping document sharing to a minimum.

Any questions or special arrangement needs should be emailed to both webelosjamboree2020@gmail.com and Ayesha.carter@scouting.org.
Saturday Registration

Mission Crews attending for the day on Saturday or those who are not camping Friday night will need to follow the same process as above. If a Mission Crew is participating but not camping (day-use) they must provide their passcode and proof of payment for the event to be able to enter. Please ensure that your Mission Crew arrives together to ensure a quicker registration process.

Check In Procedures

Consult the map in Appendix in this booklet to locate campsite.

Check In Friday night is 17:00 to 22:00. Gate will be locked until Sunday Check out, cars may not drive through the campsite during the event.

Only one vehicle is allowed at campsites at a time during Check-in and Check-out times. Plan to only send unit gear in via drop off.

Unload vehicles at parking area and hike in personal gear to your campsite.

Gear and Equipment

Mission Crew storage pods are permitted to park outside of each campsite gate. There may not be vehicles attached to the storage pods during the event. Please be mindful as you will be sharing your campsite with other Mission Crews that will need to park their storage pods as well. Due to campsite logistics it is strongly recommended that you load your storage pod with as much personal gear as possible to minimize trips to your campsite. Wheelbarrows will be available to assist in transporting your personal gear to your campsites.

Please ensure that you park in designated parking areas only. There will be staff on hand to direct you to the
appropriate location. **No vehicles will be allowed to park in the campsite area.**

**No gear may be transported to your assigned campsite until a leader from your Mission Crew checks in with registration passcode and confirms your emailed Mission Crew roster.** This does not necessarily have to be the Cubmaster or Committee Chair. Any adult may come to command center.

Once you are sure of the numbers in your Mission Crew, send one (1) leader to register your Mission Crew at the Main Registration area.

Please be sure to bring your:

- **Mission Crew Passcode** - sent via email once your registration is accepted.
- **Proof of payment**

You will receive:

- Rotation Schedule/Activity Map/Event Schedule
- Activity Field Participation Award Scorecards
- Registered Participant Armbands
- Event patches
Adult Leader Cracker-barrel

The Adult Leader Cracker barrel is a gathering of the adult leaders in attendance at the Webelos Jamboree and is primarily intended to allow the Jamboree staff to provide essential information about the upcoming Jamboree program.

There will be a Cracker barrel held on both Friday and Saturday night at 22:00 at the Main Registration Area. Every Mission Crew must be represented.

Due to social distancing there will be no Crackers at the Cracker Barrel.

At the Friday and Saturday night Cracker barrel, we ask that all Mission Crews:

- Send one adult representative
- Do Not Bring Webelos
- Please arrive by 22:00. We have a lot of important information to give, and we will end at 22:30.
- Volunteer Cracker Barrel will be held at 22:30 after the participant cracker barrel.

Friday night’s Cracker barrel will concentrate on the schedule for Saturday, the event rotation, and competition guidelines.

Saturday night’s Cracker barrel will focus on Sunday’s schedule for Scouts’ Own, the Awards Presentation, and check out procedures. Adult recognitions will be presented at this time.

Please allow the Jamboree Staff to deal with individual Mission Crew issues at times OUTSIDE of Cracker barrel. We will be available throughout the evening including before and after Cracker barrel.

IMPORTANT: Each Crew shall receive an additional 10 points for each night that an Adult Crew Commander attends the Cracker Barrel.
Schedule of Events

Friday, November 6th

17:00 Command center open for Check In; Set up Campsites

22:00 TAPS - Webelos in campsites LIGHTS OUT

22:00 Cracker barrel - Main Registration Area (Adult Leaders ONLY) Major informational meeting. Each Mission Crew must send a representative.

22:30 Volunteer Cracker barrel - Main Registration Area (Senior Scout Staff ONLY)

Saturday, November 7th

06:00 Cooks up and breakfast readied

06:30 Breakfast served in campsites

07:30 Command center re-opens

08:00 OPENING CEREMONY - (Class “B”) - Activities field - find your color

08:30 Activities begin, Webelos should have Martian appropriate space wear.

12:00 Lunch at your campsites

13:00 Mission Crews skit auditions at Archery Pavilion. Photo and Video release required. (Must audition by color group).

14:00 Activities resume

17:30 Dinner and Free time

20:30 Earthian campfire - streamed to your campsite URL will be sent in the REMIND - Text @WebJam2020 to 81010
22:00 TAPS - Webelos in campsites LIGHTS OUT

22:00 Cracker barrel - Main Registration Area
   (Adult Leaders ONLY) Major informational meeting. Each Mission Crew must send a representative.

22:30 Volunteer Cracker barrel - Main Registration Area (Senior Scout Staff ONLY)

---

Sunday, November 8th

06:30 Cooks up & cooking
07:00 Breakfast in campsite
08:30 Scouts’ Own (Class “A”) Activities Field - find your color.
09:00 Awards and Closing Ceremony Activities Field - find your color.
10:00 Clean up and break camp

◆◆◆Please Note that this is a sample schedule. You will receive the final schedule Friday night when you check in, and it will also be available Saturday morning.

IMPORTANT:

When your campsite and color marked restrooms are cleared and clean, send a runner to your Liaison who will inspect your site. Once your Mission Crew Liaison has inspected your site, he/she will radio registration to have your Webelos Jamboree Packet containing your Mission Crews’ awards released. On your way out send an adult to pick up your packet.
Those who are day use should arrange with your district commissioner who will pick up your packet from the council office after the event.

Have a safe drive home!
Rotation Schedule

In order to properly schedule Webelos Scouts through as many events as possible, each Webelos Mission Crew will be assigned to a unique rotation schedule. It is required that each Mission Crew follow the schedule rather than just wandering around the Jamboree. If for any reason we need to locate your Mission Crew for questions or an emergency, we will have an idea of where you are. DO NOT just show up at events on Saturday as you will not be admitted to the area.

Rotation Instructions

• Rotation Schedule assigned by Mission Crew at check in Friday Night
• All participants will be assigned unique wrist band colored to be worn ALL weekend.
• Attendance at the mission stations will not be enough to complete any of the Webelos Adventures. Stations are a way of exposing the Webelos to a variety of different activities.
• Please do not skip any of the stations. Scouting is about service to others. If you have already done a similar activity please help those other Webelos that may not be as familiar as you.
• Activities will run from 09:00 until 12:30, and 14:00 until 17:30. There are a total of 18 rotations (grouped by 3 in 6 broad locations). Mission Crews should be able to complete 9 in the morning and 9 in the afternoon. Each session will last 20 minutes with 4 minutes to arrive at the next station.

Please remember this is not an advancement-based event. We want to give the Webelos an exposure to Scout type knowledge and activities in a fun and challenging way. Those running activities will not be signing off on any books. Advancements will be learned. However, the responsibility for ensuring the Webelo has mastered the knowledge will fall on the Mission Crews themselves.
SATURDAY, NOVEMBER 7th ~ ACTIVITY DAY

Blocks of time: If you stick to the schedule that matches your arm band you will be able to visit each station.
**Webelos Jamboree Activities List**

Below is a list of advancements and activities that are planned for the event. This list is subject to change. However, we will do our best to ensure that all the below activities are covered at the Jamboree.

### Advancement

**#10-11-12 Basketball Berth and Living Area: Survive to get home**

Recite the Outdoor Code

**Castaway**

#10 (1 c) Build a shelter (from spaceship wreckage dome-shape)

#11 (2 a) Assemble a survival kit

#11 (2 b) Treat drinking water and drink it

#12 (2 c) Make signals for help

### Advancement

**#13,14,15 Athletic Field Transportation Bay: Build to get home**

Recite the Outdoor Code

**Scouting Adventure**

#13 (5 a) Square Knot, two half hitches, tautline hitch

#14 (5 b) Whip and Fuse

**Outdoor Adventure**

#14 (A-4) or (B-3) Bowline

#14 Lashings for Rover (See Rover instructions in Appendix)

#15 Competition: Rover Race

### Advancement

**#16,17,18 Flags and Field Engine Room: Plan to get home**

Recite the Outdoor Code

**Scouting Adventure**

#16 (1) Display the US Flag in Interplanetary land

**Building a Better World**

#16 (2) Discuss the "rule of law" in Mars and home

#16 (1 e) Recite the Pledge of Allegiance

**Engineering**

#17 (1) Engineer and Blueprints

#18 (2) Rockets

#16 (4) Paper Airplane Races

#18 Competitions: Rocket Height, and Airplane Distance
Campsite Evaluation

We encourage all Mission Crews attending the Jamboree to participate in this event and show everyone that your Mission Crew can set up a model campsite.

The Jamboree staff will provide reviewers to evaluate each of the campsites they may visit the campsite any time during Saturday’s activities so keep the site in tip top condition. The reviewers will be evaluating the campsites based on the criteria included in the appendix of this handbook.

The Jamboree Committee recommends that Mission Crews use “low impact” camping methods. Fire extinguishers rather than fire buckets should be used with one placed at the camp kitchen /cooking area and second in an easily accessible area of the campsite. Two fire buckets per tent may be substituted.

In true Scout patrol style, there should be a separate kitchen for each color band area.

Please encourage your Webelos to utilize the patrol method during this event so that they can begin to understand the methods of Scouts BSA.
Rover Race

The Rover Race will be held as part of the event rotation in the morning and afternoon. The Rover Race event is a staple of the Webelos Jamboree. The race is completely described in the Appendix.

The three fastest Mission Crews overall will receive awards.

Each team will consist of a maximum of five (5) and a minimum of three (3) Webelos Scouts.

Each team will be given three (3) poles. Two (2) will be approximately eight (8) feet long and a third will be approximately five (5) feet long. Each team will also be given three (3) 10' lengths of quarter-inch rope.

The team of Webelos must tie the poles together with the ropes to form a triangle, TOW BAR or Rover... The ropes must be tied with knots and the poles cannot be held together with hands alone at any time during the race. A five-second penalty will be added to the team’s score for each rope held by hand rather than a knot.

TWO CORNERS OF THE TRIANGLE FORMED BY THE POLES MUST BE TOUCHING THE GROUND DURING THE ENTIRE RACE.

One Webelos Scout will ride the Rover in standing position, while the others will drag it. A course will be designated and clearly marked. At the end of the race, each team will untie the knots and disassemble the tow bar. Poles and ropes must be put back the same way
they were found. The ropes will be folded in half once, then twice, and then tied in an overhand knot. The wood and rope must be replaced as it was found to stop the time clock.

The tow bar must be pulled along the ground and MAY NOT be carried. The Scout riding on the crossbar must be on TOP of the Rover and the Webelos pulling must keep their hands within the painted marks.

If the tow bar falls apart, the Webelos Scouts must stop and retie it. If the rider falls off, the team must stop, go back to the place where the rider fell off, get him back on and resume the race. This is a teamwork event. You are competing against the clock!

◆ NOTE: Knots of any kind will be allowed. Lashings are not specifically required.
Saturday Night Campfire

Saturday night campfire will be edited together from skits and events recorded throughout the day. Submissions from adults for campfire content are welcome. Please submit to thewebelosjamboree2020@gmail.comwebsite prior to 17:30 Saturday in order to allow time for video editing.

Further instructions will be given at Friday night’s Cracker-barrel

**Skits** are time honored tradition and favorite of Webelos. Due to time constraints, we must limit the number of campfire skits. Each Skit theme should be “Martian” and could cover activities that were experienced during the day like Engineering, Fitness Games, and Competitions, etc.; no “grey areas” will be allowed. All skits will be recorded during auditions, but not all will make the video cut.

Please refer to the Campfire Do’s and Don’ts in the Appendix.
Scouts’ Own & Closing Ceremony

A Scout is Reverent

There will be a non-denominational worship service on Sunday morning at 08:30. The service will take place at the Flags. All Webelos and their leaders are EXPECTED to attend. Dress will be Class “A” uniform.

Attendance is mandatory and is so noted on your Webelos Activity Field Participation Award scorecard, which must be signed and turned in attesting to your Mission Crew’s attendance. Immediately following the Scouts’ Own, we will proceed with the Closing Ceremony and the presentation of awards.

There will be no checkouts or departures prior to the conclusion of the closing ceremony.
Check Out Procedures

In order to ensure an orderly check out process, please observe the following guidelines:

- The same rules that were followed on Friday night for vehicles in the campsite will be in effect. Only one vehicle at a time in the campsites. Your cooperation will ensure that no one gets hurt during this hectic period.

- Do not begin to take your campsite down until AFTER the Closing Ceremony is complete. No one will be allowed to check out until after the Closing Ceremony.

- After your campsite is dismantled and all gear and trash has been removed, request a campsite inspection at the registration/command center area. Once your campsite is approved, bring the passcode to registration/the command center to receive your check out packet.

- All trash must be placed in the dumpster or taken out. Please flatten all boxes, water jugs, or any other bulky materials. In other words, “Smash that Trash”. PLEASE, no broken tents, gateway materials or skit props in the dumpsters...we don’t have the room.

- In the event that the dumpsters are full, please be prepared to haul your garbage out of the campgrounds. No garbage will be left behind.

- No garbage may be placed on the outside of the dumpsters and the lids and side doors must be properly closed.
Remember, “SMASH that trash”

Information/Lost & Found

Lost and found will be located at the Main Pavilion at Command center.
# Jamboree Past Chiefs

Many thanks go out to those Chiefs who have led the way, given so many hours of their time to ensure the success of the Jamboree over the past 29 Jamboree’s and have been there to advise.

Hello there! I am Dan DuBois, from Coconut Creek, FL, and I am Vice Chief for 2020 Webelos Jamboree. As Vice Chief, my primary job function is to learn as much as possible about creating and running this event, so I can follow in Anna’s footsteps and replicate the awesomeness of Martian Survivors. If you see anything you want to repeat at Webelos Jamboree 2021, wave me down and let me know. If you see anything you want changed, let me know. Feedback is a gift!

Yours in Scouting,

-Dan DuBois

---

**Upcoming SFC Events**

December 12, 2020: The Old Cutler Trail Historical hike. This is a 13.7 mile hike from Downtown Miami to St. Thomas Episcopal Church and follow the path of Miami’s Historical Development.

January 22-24, 2021: Lincoln-Marti Camporee. This camporee is held in Miami at the Robert King High Park / Carlos Arboleya Picnic Grounds.

January 31, 2021: Big Toe portion of the Barefoot Mailman Hike. The Big Toe is from Haulover to Miami Beach.

February 12-14, 2021: The 62nd Scoutmasters Camporee at Markham Park.
Appendix

The following pages provide supplemental information for the Jamboree. Pages may be added or updated after the Jamboree Book has been distributed, so it is important that a representative from your Mission Crew attend the next few monthly Roundtables. The appendix currently contains the following information:

- Mission Crew Roster - send in via email and receive a passcode for registration.
- Elmore Coivd-19 Campmasters Procedures
- South Florida Council Camper/Day User Daily COVID Questionnaire
- Jamboree Ground Rules
- Scout Law
- Mission Awards List
- Campsite Evaluation Criteria
- Gateway Evaluation Criteria
- Skit Evaluation Criteria
- Jamboree Sitemap/Campsite Locations

Please feel free to make copies of any forms.
Mission Crew Roster

(Please email to webelosjamboree2020@gmail.com to receive registration passcode)

Pack_________ District______________ Leader___________________________

Other Adults Camping:

Please fill this form out in advance (or in your campsite Friday night) and email it to webelosjamboree2020@gmail.com if you do not receive a registration passcode in response try again or call. Feel free to make additional copies if you are registering more than four (4) Mission Crews. Keep a copy for your records.
Elmore Coivd-19 Campmasters Procedures

1- First, we are obligated to follow ALL Broward County ordinances/Executive orders etc. since these are very fluid, and at times change daily it is incumbent for all those using and/or serving at the camp to stay informed.

2- At present everyone using or serving at the camp MUST WEAR A MASK both campmasters and visitors NO EXCEPTIONS.

3- Currently groups must be 10 or under, and multiple groups of ten must be distanced from one another. This will change when Broward changes the Phase. Ex. One Unit may have three + groups of 10 that do not mingle and stay separated during their entire stay.

4- Contact with Campmasters
   a. Since Campmaster may be dealing with several different groups, it is important they we do not unintentionally spread the virus. Therefore, all paperwork should be sent into the council electronically. All visitors and campmasters will work together to SOCIAL DISTANCE which means Masks on, and stay at least 6’ apart and not passing materials back and forth.
   b. ICE MACHINE- Under current conditions I would advise Units to bring their own ice and keep the machine off limits. OR IF, and only IF the campmaster is comfortable he/she could have ONE group at a time place a cooler in front of the machine and he/she could fill it, back off and allow the group to carry it back to their site. The campmaster WILL NOT touch or transport the coolers, and only Campmaster will touch the ice machine and ice scoops.
   c. Sanitization-- It is not possible for the Campmaster or Ranger to continually monitor the restrooms and showers. Each unit will need to provide ADULTS to be sure sanitization is done as needed. Showers, restroom, water fountains etc. The camp will provide a Safe-Clean product with gloves to each Group so they can monitor and clean the areas as needed. NO OTHER PRODUCTS MAY BE USED-- BLEACH is not to be used at camp. Sanitization by Units must occur at least once every three hours. They may do it more often. Overnight from 11 PM to 6 AM no sanitization is required.

5- Drop off and Pickup by Parents.
   a. First, NO CAMPER or DAY USER will be allowed to enter until the Unit Leader responsible for the event is on site. NO EXCEPTIONS. Thy Unit Leader must also be responsible for staying until the entire unit has left the camp.
   b. Since at the time of drop off and pickup it is easily possible to inadvertently have more than 10 in a group, we suggest the following
      i. Only campers, day or overnight will be allowed in the camp ONLY ONE Vehicle at a time will be allowed into the site NO EXCEPTIONS. Units may leave their trailers in the site driveway. The ONE vehicle in a site must return to the parking lot within 15 minutes. Our suggestion would be to load ALL gear into a Vehicle and make ONE trip to the site unload the return the vehicle to the parking lot.
      ii. Pickup at the end of the day or weekend would be at the parking lot not in the campsite. It would be advisable for unit with more than one group to schedule drop off and pickup on a staggered basis. EXAMPLE Den one must arrive between 9am and 9:30am Den two 9:30-10:00. Early arrivals will remain in their vehicles until their group is called. Departure would be the same, but we would expect that Each Group is waiting properly distanced in overflow parking lot for a quick and easy dismissal.
South Florida Council Camper/Day User Daily COVID Questionnaire.

Please answer “Yes” or “No” to the following four questions:

• ___ Are you feeling sick?
• ___ Do you have an elevated temperature (over 100), or do you have any other symptoms of COVID?
• ___ Have you tested positive for COVID?
• ___ Have you been exposed to anyone in the last 14 days whom has COVID symptoms and has gone for COVID testing, or whom has tested positive for COVID?

___________________________ Camper Name

___________________________ Camper Signature

___________________________ Today’s Date

Any YES answer to any questions on the above questionnaire will require that you immediately leave the facility to protect all guests. Please do not return until you can answer all questions with a NO. Thank you.
Jamboree Ground Rules

1. Policies and procedures of the Boy Scouts of America will be strictly observed. There will be no exceptions. If in doubt, do not hesitate to ask for guidance or clarification at Command center. Decisions of the Jamboree Commanders are final. We will abide by the Guide to Safe Scouting (https://www.scouting.org/health-and-safety/gss/toc/)

2. Webelos camping is intended to be a parent-scout activity. In keeping with this spirit, we strongly recommend that a parent must accompany every Webelos Scout. The responsibility for a Webelos Scout without a parent attending may be given to another adult who is not the Mission Crew leader. This responsibility must be stated clearly in writing and given to the pack leader in attendance.

3. All Mission Crews must register and have present at all times a minimum of two (2) adults. This is to allow for two-deep leadership in the event two other leaders must take an injured Scout off site.

4. No Mission Crew shall encourage any school to dismiss a Webelos Scout early on Friday.

5. The Campgrounds outside the marked Jamboree area are OFF LIMITS. Any person found outside the Jamboree area will be asked to depart the Jamboree immediately as their Oxygen supply will quickly dwindle.

6. Current valid BSA medical forms should accompany all Webelos and adult campers. Leaders must have a telephone AND EMERGENCY CONTACT number for every camper. This information stays with the Mission Crew. (https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf)
7. Webelos Scouts will not carry or use knives or axes, even if they have earned their Whittling Chip.

8. One Adult shall remain in each Pack campsite at all times.

9. Two adults will travel the activities in color groups around during Saturday. All other adults should remain at the campsite. Any non-color banded lifeform will be asked to leave the activities area.

10. If Webelos leave their crew or campsite for any reason, they must use the buddy system and ask permission first.

11. There will be no running except during organized activities.

12. **NO ALCOHOLIC BEVERAGES** or any **ILLEGAL SUBSTANCES** of any nature will be allowed within the Jamboree. Evidence of it will result in immediate expulsion of the entire mission crew from Mars with no refunds.

13. **NO OPEN FLAMES** are permitted in tents. Liquid fuel (Coleman type) is discouraged for use in campsite cooking and lighting. Propane is preferred. These fuels may only be used by adults. **No flames under Chickees.**

14. **ALL FIRES** (propane or charcoal preferred) shall be at least 18" off the ground and can only be used by an adult.

15. Water is readily available at Base Camp Elmore. Make sure all campers, Webelos and adults are well
hydrated. Webelos should carry a water bottle or reusable cup with them.

16. In favorable weather, there will be some dust and pollen in the air. Be particularly attentive to campers with asthma or other respiratory problems. Make sure they have the necessary inhalers, etc., with them.

17. During Saturday’s activities, leaders should carry adequate supplies of water for their Webelos. You may consider a wagon or small hand truck with a water cooler, to follow the Mission Crew from activity to activity. Webelos should carry a water bottle or reusable cup with them.

18. No vehicles are to park in the campsite area. Campsites and walkways must be clear of vehicles at all times to allow access by emergency vehicles. One Vehicle may unload/load at Campsite at a time and must then immediately be returned to parking lots.

19. The Campsite Road gates will be locked from 22:00 Friday until 08:00 Sunday. This safety issue will be strictly enforced. KEEP IT SAFE FOR THE BOYS AND GIRLS.

20. The Webelos Jamboree is a tent camping experience. No campers, travel storage pods, pop-ups, or similar type shelter are allowed in campsites.

21. No generators will be allowed, except those operated by the Jamboree committee for command center, first aid and matters of safety.

22. Every Mission Crew must be represented at the Friday and Saturday night Cracker-barrel located at the Main Registration Area (command center).
23. No Webelos Scout will be allowed in the Main Registration area except on business.

24. Campsite inspections will be conducted at each Mission Crew campsite under the supervision of an inspection team, with the assistance of the adult in each campsite. Completely closed and zipped up tents do not have to be opened for the inspection team. The inspection team will not open any tent that is completely zipped or closed.

25. A Scout is reverent. Scouts’ Own is on Sunday morning. ATTENDANCE is MANDATORY.

26. No Mission Crew will begin to break camp until after the closing ceremony is completed. All Webelos and adult leaders from all Mission Crews are expected to attend the closing ceremony immediately following Scouts’ Own.

27. No Mission Crew will leave on Sunday before receiving approval from its Mission Central.

28. Dumpsters will be provided. Please compress all garbage and boxes. IF DUMPSTERS ARE FULL you must take home your garbage. The lid must be able to close and doors slide shut. No garbage is allowed outside the dumpster.

29. In the event of any dispute that may arise due to scoring, campsite location, or any other issue of the Jamboree, the Jamboree Commanders will be advised and will make an immediate judgment. The decision of the Jamboree Commanders will be final.

30. No dishwashing is allowed at the water fountains or the camp bathrooms. Please transport the water back to your campsites for these purposes.
31. No bicycles, roller skates, roller blades, skateboards, skate shoes, mopeds, motorized vehicles or four wheelers are allowed.

32. All Mission Crews should bring their own ICE to ensure safe handling of food. Though limited ICE is available at Elmore, it will be available only on Saturday. We will give specific ICE pickup times at the cracker barrel. Campmasters are the only ones authorized to touch the ICE machine and scoop.

33. The COPE Course and surrounding area is OFF LIMITS to all campers and guests.

34. Siblings may not attend; they may not tag along for the day or camp at this WEBELOS ONLY program. Please let them stay at home for this weekend with another adult or guardian. They may register as Webelos to attend when they are older.
If there is any doubt about any rules, remember the twelve points of the Scout Law.

**A Scout is:**

- Trustworthy
- Loyal
- Helpful
- Friendly
- Courteous
- Kind
- Obedient
- Cheerful
- Thrifty
- Brave
- Clean
- Reverent
Campsite Evaluation Criteria
(Maximum point values for the Campsite are in parentheses)

CAMPSITES WILL NOT BE JUDGED UNLESS AN ADULT IS PRESENT

SCOUT SPIRIT
U.S. Flag properly displayed (HINT: Right hand side as you exit) (10)
Pack flag (10)
Webelos Mission Crew Flags (10)

CAMPSITE
Campsite clean; no paper or trash (10)
Kitchen area clean and neat (10)
Food off ground (10)
Garbage containers closed (10)
Dishwashing area designated & clean (10)
Sleeping quarters clean and neat (all tent flaps uniform, either open or zipped closed) (10)

SAFETY
1 fire extinguisher in tent site area (central location). (10)
Extra fire extinguisher at cooking area (10)
All fires at least 18” off the ground (10)
Fuel in safe and clearly defined/labeled area (10)
Mission Crew First Aid Kit (visible, ready for use) (10)
Book with Medical Records Forms (for all Webelos and Leaders) (10)
No vehicles or storage pods are allowed in campsite (10)
Tents and Kitchen are distanced from other units. (10)

SCOUTCRAFT
Tents set up properly (10)
Personal gear stored neatly (10)
Duty roster posted on bulletin board (10)
Menu posted on bulletin board (10)
Pack number and sponsor on campsite (10)
Rope or boundary defining campsite area (10)
Help from an adult (-50)
Total Points = 230
Note: This is an extremely comprehensive checklist for a model campsite planned and erected by very experienced Webelos. It is, in that sense, a goal to pursue - and one that few can achieve. Do not be discouraged if your campsite lacks some elements. DO YOUR BEST! Competition alone does not make a Jamboree.

Gateway Evaluation Criteria

Prefabricated gateways may NOT be used for the event.

The items being reviewed include (Maximum point values for the Gateways are in parentheses):

- Natural items (15)
- Rope ends whipped (10)
- Knots tight and neat (10)
- Lashings tight and neat (10)
- Skill in building (10)
- Sturdiness of construction (15)
- Working gate (15)
- Crew sign with keeping with the theme (15)
- Overall appearance (20)
- Help from an adult (-50)

Total Points = 120

◊ NOTE/HINT: If the U.S. Flag is displayed as part of the gateway, it should be on the right-hand side when exiting.

In the event of a tie in the campsite scoring, gateways will be scored as above to break the tie. Judges’ decisions are final.

NO TREES AT CAMP ELMORE ARE TO BE CUT FOR ANY PURPOSE

NO HOLES ARE ALLOWED TO BE DUG
The definition of skit is “sketch comedy consisting of a series of short comedy scenes.”

Skits will be judged on showmanship (entertainment value/audience appeal), creativity/originality (have we seen it before?), props/costumes. Skits are expected to be of good taste, the judges will disqualify any Skit seen as of bad taste and offensive. *Each skit should not exceed 5 minutes in length.*
