YOU MUST WEAR YOUR CLASS B UNIFORM

Please make sure you have the following in class: Pen, Pencil and Paper.

Some things to know and remember:

- Please be in the room and ready for admittance at least 10 minutes before the class begins to allow for technical difficulties.
- If you are more than 5 minutes late for the class, you will not be admitted.
- You must be current on your Cyberchip. A Scout is trustworthy. See information on obtaining your Cyberchip. <https://www.scouting.org/training/youth-protection/cyber-chip/>
- Scouts must stay for the entire class. Attendance will be taken at the beginning and the end of every class.
- Scouts must use their own name for their screen. First name and last initial is fine.
- Scouts cannot use an avatar or backdrop. Scouts must always be clearly visibly on the screen. You will be dropped if we cannot see you.
- Scouts will be respectful. Any scout that is not will be dismissed from the class– no refund will be given.
- All the counselors are volunteers, thank them for taking the time to do this for YOU.
- No video recording is allowed, however all chat conversations will be saved and reviewed at the end of the day.
- All prerequisites must be turned in by the end of class.
- The findings of the Merit Badge Counselor are final. They will determine if your scout understands enough of the subject matter to receive credit for the requirement.
- Failure of the Scout to participate during sessions and / or failure to complete tasks (Homework) between sessions will limit the number of requirements the scout will be given credit for. The scout MUST participate in the class. Just showing up to class is not enough.
- Participating in a class does not guarantee completion of the merit badge.
- Attendance and timeliness are an important component of this course.
- This class is a “Walking, Talking Merit Badge Book”. We’ll share information, ask discussion questions to check for understanding and answer the scout’s questions on the topics being discussed.
- HAVE FUN!!!!!!!!!!
