

# WILDERNESS FIRST AID TRAINING

Are you going to Philmont or Seabase in 2021?

**Who needs to be WFA-trained?** Two members of each crew participating in a trek at Philmont Scout Ranch or one crew member at all other high-adventure bases operated by the BSA are *required* to have this certification. It is also recommended that troops or Venturing crews participating in any other high adventures, whether through a council or on their own, receive this training. Also, having more people on a high-adventure trek trained in WFA is always beneficial in the event that an emergency does occur.
