

## Mining in Society & Geology Merit Badges

Cost Center # 675

Thursday

July 29, 9:00am- 2:00pm

VIRTUAL PROGRAM

Spaces for 30 Scouts BSA Youth Members only, (first come, first serve- reservations)  
All Scouts will have a Virtual Tour of a CEMEX Quarry -and will work with multiple professionals in the mining business whom are part of CEMEX - One of our great Community Partners. Our South Florida Council Scouts have previously done several in person Merit Badge events at their Medley FEC Quarry.

Meet all the requirements for your **“Mining in Society”** and **“Geology”** Merit Badges including topics on Safety, Geology, Ecology, Environmental, and Community Relations. –

Scouts must attend and participate in all sessions and complete all work to earn these Merit Badges.  
**Last day to register for Class is on July 25th. at 11 PM, OR once this class is FULL- It will fill FAST!**

Lunch is on your own during the scheduled lunch break, and Scouts will be back online and finished at 2 pm.

Full program only \$ 30,

CEMEX receives no payment for this program
